

ARCHITECTURAL AUDIO BEYOND THE WALLS

OUTDOOR & LANDSCAPE

DISCREET SOUND FOR OPEN-AIR SPACES.

DITO outdoor loudspeakers extend professionally designed audio into gardens, patios, terraces, pool areas and open commercial spaces. Pendant, rock and landscape formats support different installation conditions while remaining visually integrated.

CURRENT MODELS

IO-P6

Pendant model for open ceilings, tall spaces and covered outdoor applications.

IO-R6

Weather-resistant rock loudspeaker for discreet garden and pool-area audio.

IO-SP3

Compact landscape loudspeaker with stake and surface-mount hardware.
